Has Printed Blue Labels for Cigars Undetected for a Long Number of Years.

BY OFFICERS AND UNIONISTS.

CHICAGO, Dec. 11 .- In a raid by constables and labor leaders entire today, ing to at least \$1,000,000 will be effected it is believed the greatest plant in the as the result of operation under one country for counterfeiting union cigar labels was discovered, says the Inter-Ocean. The printing establishment of Hiram Melts was entered and 10 counterfeit plates were captured from which it is believed all the counterfeit labels in the United States have been printed. One hundred thousand counterfeit-labels were also confiscated. Officers of the Cigarmakers' International union assert that the plates are the only ones in existence. Meits shipped the counterfeit blue slips in lots, blymen of Rock county, announces varying from 1000 to 10,000, to all parts that he will accept a re-election to the of the United States.

Thompson, label secretary of the Cigarmakers' International union, has been using every effort to entrap the makers of this plate. Last night was the fourth consecutive night on which he and constables and members of the union have watched the printing establishment-until after midnight.

The printing shop was entered by strategem. Constable Philip Spiro and Charles Bueschel arrested Meits before he realized the meaning of the sudden rush. A. E. Adeloff, president of the Cigarmakers' union, and William Magruger, former president of the New Jersey State Federation of labor, were the other members of the party which captured Melts.

The prisoner was taken to the county jail in default of \$1500 bonds.

NEW POISONS DISCOVERED.

CHICAGO, Dec. 11.-Professor Julius Slotterback, professor of pharmognosy in the University of Michigan, has discovered seven new poisons, says a special to the Tribune from Ann Arbor, Mich. Three of them are made from Alleghany vine. He has named two of the poisons adjumic and adjurnidine and one is still unnamed. From the calandine poppy the professor has extracted the fourth and fifth poisons, called stylophine and disphyline, and rom the Japanese calandine the poison acconidine, and one yet unnamed.

olved ina discussion about the Irish. Now Captain Keating has a warm spot in his heart for the Irish (being one of them), out he has quite as warm a spot for the patriotic Boers. During conversation Captain Keating stated that both Irish and Scotch regiments had run during the Boer war, either at Spion-kop, Magersfontein or Modder river, which brought forth the most vigorous denial from Captain Smith. "The Scotch never retreat ex-
